

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Motto: Empowerment through Education

Vision :

To open the doors of employment-oriented quality higher education for the rural and economically backward students.

Mission:

- To provide quality education to the economically backward rural students.
- To make students conversant with the latest knowledge in the field of Arts and Commerce.
- To ensure and inculcate perfect discipline in terms of regularity, sincerity and punctuality among students.
- To create interest in socially beneficial extra- curricular activities.
- To strive for total development of personality & character.
- To development among the students a sense of self-discipline, moral responsibility, social responsibility and national integrity.
- To make the students aware of the national goals and aspirations and to Develop among them the capacity to assume responsibilities as future citizens.
- To translate vision, mission statement into activities.

6.2 Does the Institution has a management Information System

Yes,

Information on all aspects relating to the working of the institution is systematically maintained and made available to all stakeholders. All policy decisions and implementation thereof are well circulated among all levels of the staff and management.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The college has no scope as far as innovation in curricula is concerned because the Board of Studies decides the curriculum. We adopt the curricula as per University Directions.

6.3.2 Teaching and Learning

Learning is made student –centered by adopting learning activities like class seminars, assignments, group discussions, field trips, guest lectures. Faculty members participate in Refresher Courses for upgrading their knowledge.

6.3.3 Examination and Evaluation

- Online submission of Examination forms
- Online issuance of Hall tickets
- Online declaration of result
- All these activities are implemented as per University Norms.
- College also conducts Two unit test & Terminal examination at the end of syllabus and declare the results within fifteen days.

The weak students are identified and given Remedial coaching. The bright students are motivated by giving them extra Academic activities.

6.3.4 Research and Development

The College encourages the faculty to attend State, National and International Conferences/Workshops/Seminars/Symposia in their related fields and present Research papers.

Analysis of Feedback

Every year college executes the exercise of collecting feedback from the students, on teaching learning processes and curriculum. Students assess individual teachers by filling up a questionnaire especially designed for the purpose. This valuable feedback helps the teachers to upgrade their techniques of teaching. Secondly, students convey their difficulties, about syllabus, the availability of facilities and even the required essential facilities to their teachers. This facilitates the college to understand the present situation and demands of the future. Including a detailed analysis of such feedback on each teacher is beyond the scope of this report. The major observations based on analysis of such feedback are summarized as follows:

1 Mode of communication of syllabus by teachers:

45% of students reported that the curriculum was communicated by teachers through a combination of three methods- class room lectures with illustration, classroom discussions, and interactive teaching learning methods. 45 % expressed the opinion that the mode of communication of syllabus was mainly classroom lectures and interaction. 10% students suggested maximum use of projector.

2. Strict adherence to Curriculum:

The students affirmed that the curriculum taught is in strict adherence to the University.

3. Reading Material:

80% of students agreed that teachers provided them with sufficient reading materials/ lecture notes as required for the curriculum.

4. Availability of Learning Resources:

70% students felt that the college library is adequately equipped and endowed with reading resources as per the curriculum of the university. 30% students suggested to increase the stock of reference books.

5. Accessibility of the teacher in and out of the class:

Majority of the students expressed their satisfaction on the accessibility of the teachers in and out of the class.

5. Overall Experience:

A significant majority of students have rated their overall experience in this college as excellent.

Best Practices of the Institution

Best Practice: 1 Yoga and Karate classes; singing of the National Anthem.

1. Title of the Practice

Compulsory Yoga and Karate classes

2. Goal

To impart health and self-defense skills in students so that they adopt a healthy life-style and are able to defend themselves in case such situation demands.

3. The Practice

Yoga and Karate classes are held before the regular classes. It is mentioned in the daily Time-Table of the college. Apart from the regular Physical instructor, a Yoga expert is appointed for the purpose.

4. Evidence of Success

The students report of relaxed state of mind, increased concentration and better physical health. Karate helps in building self-confidence and instilling a sense of security.

5. Problems Encountered and Resources Required

Initial hesitation, lack of awareness, inconvenience during rainy season. Services of Yoga expert and Karate trainer were taken. Staff members counselled and motivated the students. Yoga carpets were made available.

Best Practice: 2 Free training to all students in the preparation of washing powder, liquid blue, phenyl etc.

1. Title of the Practice

Training the students in the preparation of washing powder, liquid blue, phenyl etc.

2. Goal

To prepare the students for Entrepreneurship.

3. The Practice

A day-long workshop is organized for the same. Students are divided into groups. The students are informed about the importance of self-sufficiency and financial independence. They are asked to get small containers. Expert guidance is given with demonstrations. The finished products are distributed among the students.

4. Evidence of Success

The students felt very confident after the training. There was a demand from them for training in preparation of other products also. 90% of the students said they would use this expertise to start their own businesses.

5.

Problems Encountered and Resources Required

Initial hesitation of the students. Students had to be divided into groups. The Entrepreneurship Development Cell worked hard for the successful completion of the training. Experts in the field were invited to train the students. The teaching staff and support staff put in their best efforts.
